Minimiser l'interface

The screenshot displays the Tik LMS interface. On the left, a sidebar contains sections for 'MESSAGES' (Public Chat), 'NOTES' (Shared Notes), and 'USERS (3)' (Etudiant 2 (You), Guest, Etudiant 1). The main chat area shows a 'Public Chat' window with a welcome message and a list of messages from 'Etudiant 1' and 'Etudiant 2'. Below the chat is a text input field and a send button. To the right, a 'Contact' card for 'Tik LMS' is visible, featuring a video call window, contact details (Address, Phones, Email), and a drawing toolbar. The bottom of the interface has a dark bar with icons for microphone, phone, and screen sharing.
